

**BACK TO CHURCH Sunday**  
**September 16, 2018**  
**Trinity United Methodist Church**

What is it? It is a national movement within the United States that churches from many denominations and non-denominational churches participate in after school begins in the fall.

Its purpose is to provide an avenue for people to invite others to come to Church who are attending nowhere. It is an opportunity to open our doors and engage people in being a part of this Christian community. Nationally the statistics say that about 49% of Americans don't go to church any more.

As you may know there are lots of reasons, from overly busy with kids and family activities to lack of trusts in the institution called the Church and those who lead it. Yet, 73% of Americans consider themselves Christian.

This Sunday, September 16, 2018, at both the 9am and the 11am services we are having a Back to Church Sunday. Listen to the local radio stations and hear our ads in English or in Spanish.

The group of ladies, working on this project, are preparing bags of coloring materials for the children and a bag with a devotional guide and information about Trinity for the family.

We need your help. **First**, we need your prayers: That those who come will feel the love and warmth of Jesus when they enter the church.

**Second**, that you would make every effort to come and welcome those

who respond to this Back to Church Sunday. **Third**, if the Lord lays on your heart to invite someone, would you bring them?

If you have any questions, don't hesitate to give us a call at 622-0119?
